Dear Sirs

Letter of Appreciation for the Support in the Distribution of Antigen Rapid Test (ART) Kits

We would like to express our appreciation and thanks for your support to BCA in the exercise of distributing ART kits to our industry firms. It is with your support that our firms are able to obtain the test kits timely to meet the surveillance testing needs and keep our workforce safe. We would appreciate it if you could also extend our thanks to your staffs who had tirelessly contributed their time and efforts to schedule and contact the firms on the collection of the kits and followed up to ensure that the kits collected by firms are in order. Once again, thank you for supporting us in our fight against COVID-19 and look forward to further opportunities and your continual support for similar collaboration.

Yours faithfully
